Forty-Sixth Annual Commencement

Dear Class of 2021:

Resilience is defined as the capacity to recover quickly from difficulty; toughness. It is also defined as the ability to spring back into shape. There is no doubt that this global pandemic has caused the Class of 2021 to grow in the area of resiliency. You have been stretched beyond your comfort zones for well over a year. Despite all of the challenges brought on by circumstances beyond your control, you made it to this milestone in your matriculation. Class of 2021, you are the epitome of toughness demonstrated by your ability to spring back into shape and finish your K-12 journey!

As this chapter of life concludes, know that you have been equipped for wherever life takes you next. Be it entering college, the military, or the workforce, reflect on the previous 18 months and realize that you have what it takes to stare adversity in the face and be successful. Always remember to be thankful for the sacrifices of your family that provided you support and encouragement. As we celebrate with you today, know that we are immensely proud of all that you have accomplished. Thank you for helping to make Lithia Springs High School the best place to Educate, Motivate, and Elevate!

In closing, I want you to always remember that while LIONS may not be the biggest, fastest, or strongest in the jungle they are still the King of the Jungle! Continue to be the Kings and Queens that you are and always remember to Hunt for Success!

Congratulations Class of 2021!

Respectfully,

Travis C. Joshua
Principal

ALMA MATER

Pride in Country,

Pride in State,

Proud to learn to emulate

Lives of service, bodies strong;

This our pledge, our anthem song:

To live, to be

Just the best that we can be.

Trust us with the world at hand;

With faith and skill we'll lead our land.

Wherever this world we shall roam,

Lithia shall stay our home.

Lithia Springs Alma Mater home.

Dear Class of 2021 Graduates, Family and Friends:

On behalf of Douglas County School System teachers, administrators, and our Board of Education, I welcome each of you to the commencement ceremony for the Class of 2021. Graduation is the most exciting time in the life of a school system. The teachers, administrators and Board of Education members join you in celebrating the success of the Class of 2021. Together, we celebrate the commitment we have made to setting high expectations for students. This commitment has fully prepared our graduates with the tools they need to achieve a powerful future.

Graduates, we hope that during your education you embraced being part of an educational community that cares deeply about you. This community shares an unwavering commitment and passion for inspiring greatness in every student. Whether you plan to go to college, technical school, the military, or straight into the workforce, your teachers have taught and instilled values that will help you forge your own pathway to success.

There are many traditions that make the last two years of high school special that you have missed, but you have grown stronger during this trying season, even if you do not know it yet. It may be little comfort for you today, but years from now, you will reflect on your last years of high school and have quite a story to tell of living through a global health crisis. The coronavirus pandemic is world history that you are living through – but it is also simply a season in your life, and seasons change. This season is one of many comprising your high school career, with all of them preparing you for adulthood. As you enter adulthood, I wish you happiness, good health and success.

Parents and families, thank you for entrusting your children in our care. Our educational community is dedicated to preparing students for success, but it takes a partnership. Your support of our efforts helps us better serve students and prepare them for a successful future. My hope is that together we have produced young adults who will lead and serve with honesty, integrity, respect and compassion.

Thank you for joining us as we celebrate the Class of 2021!

Congratulations, graduates!

Sincerely,
